LEGISLATIVE.

The 6th July 1866.

The following Bill and Statement of Objects and Reasons accompanying it are published for general information, by order of His Excellency the Governor General, under the 19th of the Rules for the conduct of Business at Meetings of the Council of the Governor General of India for the purposes of making Laws and Regulations:—

A Bill to make further provision for the removal of prisoners.

WHEREAS it is expedient to authorize the Local Government to remove any prisoner sentenced by a Court established by Royal Charter from the Jail in which such prisoner is confined to any other Jail or, in the case of a prisoner of unsound mind, to a Lunatic Asylum, within the territories subject to the same Local Government: And whereas it is also expedient to authorize the Governor General of India in Council to remove any prisoner sentenced by any Court from the Jail in which such prisoner is confined to any other Jail within British India; It is hereby enacted as follows:—

1. When any person shall be, or shall have been, sentenced to imprisonment by a Court established by Royal Charter, it shall be lawful for the Local Government to order the removal of such person, during the period prescribed for his or her imprisonment, from the Jail or place in which he or

Local Government may order removal of prisoners sentenced by High Court from one Jail to another in the territories subject to the same Government.

she is confined to any other Jail or place of imprisonment within the territories subject to the same Local Government.

2. Whenever it shall appear to the Local

Lunatic prisoners sentenced by High Court may be removed to Asylum by order of Local Government.

Government that any person imprisoned by the sentence of a Court established by Royal Charter, is of unsound mind, such Government, by a warrant which shall set forth the grounds of belief that such prisoner is of unsound mind, may order his or her removal to a Lunatic Asylum, or other fit place of safe custody, within the territories subject to the same Government, there to be kept and treated as the Local Government shall direct during the remainder of the term of imprisonment ordered by the sentence; or if it shall be certified by a Medical Officer that it is necessary for the safety of the prisoner or others that he should be detained under medical care or treatment, then until he shall be discharged according to law; and when it shall appear to the same Government that such prisoner has become of sound mind, the Local Government, by a warrant directed to the person having charge of the prisoner, shall remand him or her to the prison from which he or she was removed if then still liable to be kept in custody, or if not shall order him or her to be discharged. The provisions of Section 9 of Act XXXVI of 1858 (*relating to Lunatic Asylums*) shall apply to every person confined in a Lunatic Asylum under this Section after the expiration of the term of imprisonment to which he or she shall have been sentenced; and the time during which he or she shall have been so confined, shall be reckoned as part of such term.

3. When any person shall be, or shall have

Governor General in Council may order removal of prisoners sentenced by any Court from one Jail to another in British India.

been, sentenced to imprisonment by any Court it shall be lawful for the Governor General of India in Council to order the removal of any person so sentenced, during the period prescribed for his or her imprisonment, from the Jail or place in which he or she is confined to any

other Jail or place of imprisonment in the territories which are or may become vested in Her Majesty or Her Successors by the Statute 21 and 22 Vic., Cap. 106 (*In Act for the better Government of India.*)

—
STATEMENT OF OBJECTS AND REASONS.

Under the Code of Criminal Procedure, Section 49, the Local Government has power to order the removal of persons sentenced to imprisonment by the Mofussil Courts, from one prison to another in the territories of the same Government. But as the law stands, no European or American sentenced to imprisonment by a High Court, can be so removed without the consent of the Governor General in Council. This having been found to cause delay, injurious in some instances to the health of the prisoner, the first Section of the present Bill proposes to authorize the Local Government to order the removal of any prisoner from the Jail in which he is confined to any other Jail within the territories subject to the same Government.

Under the sixth Section of Act IV of 1849 (*for the safe custody of Criminal Lunatics*) the Local Government had power to remove to Lunatic Asylums persons sentenced to imprisonment by any Court. The Local Government has a similar power, under Section 396 of the Code of Criminal Procedure, as to Criminal Lunatics sentenced by the Courts or Magistrates in the Mofussil. But, in consequence of the repeal of Act IV of 1849 by Act XVII of 1862, it appears to have now no such power as to Criminal Lunatics sentenced by a High Court. The second Section of the present Bill accordingly proposes to authorize the Local Government to remove such Lunatics to Asylums, and in case of recovery to remand them or order them to be discharged.

The Governor General in Council has, under Act XXIV of 1855, Section 6, power to remove Europeans and Americans sentenced to penal servitude from one prison in British India to another. Under Act III of 1858, Section 5, he has a like power as to State prisoners. But he does not appear to possess any general power of removing convicts from prison to prison. The want of such power being obviously inconvenient, the third Section of the present Bill proposes to authorize the Governor General in Council to remove any prisoner, whether European, American or Native, and whether sentenced by a High Court or by a Court not established by Royal Charter, from the Jail in which he is confined to any other Jail in British India.

THE following Bill and Statement of Objects and Reasons accompanying it are published for general information, by order of His Excellency the Governor General, under the 19th of the Rules for the conduct of Business at Meetings of the Council of the Governor General of India, for the purposes of making Laws and Regulations:—

*A Bill to remove doubts as to the operation of
Act No. XIX of 1865 on Summary Suits.*

WHEREAS doubts have arisen as to whether under
Act No. XIX of 1865 (to
Preamble. define the jurisdiction of the
Courts of Judicature of the Punjab and its Dependencies) the suits, commonly called "Summary Suits," are not now cognizable by the Civil Courts, to the exclusion of the Revenue Courts; and whereas it is expedient to remove such doubts; It is hereby enacted as follows:—

1. Nothing contained in the said Act shall be deemed or taken to render Revenue Courts in the Punjab to retain cognizance of Summary Suits. The suits, commonly called "Summary Suits", cognizable by the Courts of Judicature in the Punjab and its Dependencies on their Civil side to any further or other extent than the said suits were cognizable by such Courts on their Civil side immediately before the passing of the same Act; and such suits shall be cognizable by the Courts of Judicature in the Punjab and its Dependencies on their Revenue side, in the manner and to the extent in and to which the said suits were cognizable by such Courts on their Revenue side immediately before the passing of the same Act.

—
STATEMENT OF OBJECTS AND REASONS.

The Punjab Courts' Act, No. XIX of 1865, gives the Commissioner, the Deputy Commissioner, and the Assistant Commissioner with full powers, "power to try and determine suits of every description." It has therefore been supposed that the special jurisdiction of the Punjab Courts on their Revenue side to deal with what are called "Summary Suits" has been transferred to the same Courts on their Civil side. This was never intended by the Legislature, and it may fairly be argued that the suit mentioned in the Act are not "Summary Suits," which have none of the characteristics of ordinary litigation, and are processes altogether peculiar to Indian Revenue Courts. Under these circumstances the present declaratory Bill has been prepared at the request of the Lieutenant-Governor of the Punjab, who considers that, in many respects, these "Summary Suits" may be with advantage kept on the Revenue side of the Courts. They can be dealt with there in a less formal manner than on the Civil side. Their retention on the Revenue side is moreover desirable with reference to the system of record established in the Punjab.

Rule 13.—When the interest of several Appellants is joint, not more than one Pleader's fee shall be allowed, unless the Court shall otherwise order for a reason to be recorded. If one fee only be allowed, the Court shall direct to which of the Appellants it shall be paid, or shall apportion it amongst the several Appellants in such proportions as it shall think fit.

Rule 14.—If several Respondents in one appeal appear by separate Pleaders, in determining whether several Pleaders' fees shall be allowed, the Court shall be guided by the principles laid down in Rules 6 and 7.

Rule 15.—If in any instance the payment of fees, according to the preceding rules, shall not appear to the Court to be just and equitable, the Court may exercise its discretion in charging the fee of the adversary's Pleader in such manner as may appear just and equitable; but in every case when an allowance is made for a Pleader's fee, the amount shall be calculated according to the scale in Rule 1, or according to Rule 8, as the case may be.

Provided that, if under the provisions of Section 351, Act VIII. of 1859, the decree of a Lower Court be reversed on appeal, and the case be remanded to the Lower Court to be tried upon the merits, the Lower Court on passing its decree may allow to the successful party such a sum as the Court shall consider to be reasonable, not exceeding half the amount calculated according to the scale in Rule 1 on account of his Pleader's fee in respect of the re-hearing in addition to the full amount of his Pleader's fee calculated according to that scale.

Provided also that if an appeal be preferred against the decree passed on remand, the fee, if any, allowed by the Appellate Court to the party succeeding in that appeal, shall not, unless for a special reason to be recorded, be less than one-fourth, nor more than half of the amount calculated at the rate mentioned in Rule 1, if by the decree of the Appellate Court remanding the case, the same party shall have been allowed a full Pleader's fee in respect of the former appeal in the suit either absolutely or conditionally upon his succeeding upon the remand.

Provided also that if, under Section 354, Act VIII. of 1859, an issue be framed and referred by the Appellate Court for trial by the Lower Court, the Appellate Court may, if it think proper, allow to the party who shall succeed in the appeal, such a sum as the Court shall consider reasonable, not exceeding half the amount calculated at the rate mentioned in Rule 1 for his Pleader's fee in respect of the trial of the issue in the Lower Court, in addition to a full fee, in respect of the appeal, calculated at that rate.

For regulating the time and mode of collecting the Rate and Taxes.

1. EACH quarterly instalment of the rate and taxes mentioned in the Act shall be considered to have become due at the commencement of the quarter on account of which such instalment is payable, and may be levied at any time after the commencement of such quarter, that is to say:—

The bills so prepared shall be issued under the signature of the Commissioners or Officers appointed by them, or their Secretary, if there be one, to the subordinate officers on the collecting establishment, and shall be by them presented to the persons named therein, in the manner hereinafter described.

3. Every collecting officer shall be provided with a certificate of his authority to collect; and every such certificate shall bear the seal of the Municipality and the signature of the Chairman or Vice-Chairman. Every collecting officer at the time of demanding payment shall be bound to shew this certificate if required.

4. The collecting officer taking the money in payment of any demand shall give the receipt for it.

5. When the name of any owner is not known, it shall be sufficient to designate him in any notice, bill, or other proceeding under the Act, as the owner of the property on which the rate is assessed, without further description.

6. Every bill, for any sum due on account of the rate or taxes leviable under the Act, shall, if possible, be presented to the individual named therein in person; but if such personal presentation be found impossible, the bill shall be left at his usual place of abode, and such delivery shall be deemed to be the presentation required by Section 44.

7. The officer to whom a bill may be issued for presentation shall receive the amount of such bill at the time of presentation, or at any time within ten days from the date on which the bill shall have been first presented by him,

8. Every person required, in writing, to furnish any schedule or return which the Commissioners may lawfully require him to furnish, shall send such schedule or return to the office of the Commissioners within one week from the date of the service of the requisition in the manner described in Section 81 of the Act. Any person failing to do so shall be liable to a penalty not exceeding Rupees 5 for the omission, and to a penalty not exceeding Rupees 2 for every day the omission shall, after warning, continue. Any person submitting a false or incorrect schedule or return shall be liable to a penalty of Rupees 5, provided that nothing in this Bye-law shall be held to prevent the institution of a criminal prosecution under the Penal Code should the facts appear to warrant such a proceeding.

9. Every owner, occupier, or other person, shall permit the Commissioners, or any one appointed by them under a written authority for that purpose, at any time between sun-rise and sun-set, to enter and inspect any coach-house or stable in which there is reason to believe that there is any vehicle or animal liable to taxation under Section 35 of the Act. Every distress made under the Act shall be executed by the collecting officer, unless the Commissioners may otherwise direct, and the property distrained shall, pending sale or recovery from the defaulter of the amount due, remain in charge of the collecting officer, who shall deliver a list in the Form C., prescribed in the Act, of the property distrained.

11. Immediately on distress the distraining officer shall post upon the house of the defaulter a notice of sale, fixing a day for the sale, not less than seven days from the date of distress; and on the day of sale notice shall be given by beat of drum.

12. Payment of purchase money for property sold, and delivery of the property, shall be made immediately after the sale; and if the purchaser fail to pay the full amount of his bid, it shall be lawful for the distraining officer, at his discretion, to sell the property again on the same or any other day, and the first purchaser shall, in such case, be responsible to the Commissioners for any loss, which shall be recoverable as a debt due to them.

Commissioners may from time to time fix; and any person failing to furnish such security within reasonable time, or within such time as the Commissioners may appoint, shall be held to have thereby forfeited his appointment and may be removed from office.

Whenever it shall be proved to the satisfaction of the Commissioners that any person in their employ has been guilty of any violation of duty or wilful breach or neglect of any rule, regulation, or order made or given by competent authority, or has withdrawn from the duties of his office without permission or without having given previous notice for the period of one month, or has done any act by the performance of which, or has omitted to do any act by the non-performance of which, the Commissioners shall have suffered, or may have incurred the risk of suffering loss or injury, or has failed to perform any duty with all due diligence or has been guilty of any act of insubordination towards any superior officer, or has accepted or obtained, or agreed to accept or attempted to obtain, from any person, for himself or for any other person, any gratification whatever other than authorized remuneration, in respect of any official act, or has in his official capacity given any information which he knows or believes to be false, or has committed any offence punishable under any law, such person shall be liable to punishment by fine not exceeding one month's pay, or by suspension from office for such period as the Commissioners may fix or by degradation, or by summary dismissal from his situation, in addition to any penalty to which he may be liable under the provisions of any law. Any person so dismissed shall be liable at the discretion of the Chairman, to forfeit all pay and allowances due to him, not exceeding the pay and allowances for one month.

16. The Chairman or Vice-Chairman may originate, receive, or enquire into a complaint of misconduct or neglect in the performance of duty against any person employed by the Commissioners.

17. Nothing herein contained shall be held to debar the Commissioners from instituting proceedings in any Civil Court having jurisdiction against any person being or having been in their employ, with a view to the recovery of damages for any loss or injury which they may have sustained in consequence of any act done or omitted to be done by such person.

LEGISLATIVE.

Simla, the 4th July 1866.

THE following Bill and Statement of Objects and Reasons accompanying it are published for general information, by order of His Excellency the Governor General, under the 19th of the Rules for the conduct of Business at Meetings of the Council of the Governor General of India, for the purposes of making Laws and Regulations :—

*A Bill to remove doubts as to the operation of
Act No. XIX of 1865 on Summary Suits.*

WHEREAS doubts have arisen as to whether under Preamble. *Act No. XIX of 1865 (to define the jurisdiction of the Courts of Judicature of the Punjab and its Dependencies)* the suits, commonly called "Summary Suits," are not now cognizable by the Civil Courts, to the exclusion of the Revenue Courts; and whereas it is expedient to remove such doubts; It is hereby enacted as follows :—

- Nothing contained in the said Act shall be deemed or taken to render the Revenue Courts in the Punjab to retain cognizance of Summary Suits. The suits, commonly called "Summary Suits," cognizable by the Courts of Judicature in the Punjab and its Dependencies on their Civil side to any further extent than the said suits were cognizable by such Courts on their Civil side immediately before the passing of the

same Act; and such suits shall be cognizable by the Courts of Judicature in the Punjab and its Dependencies on their Revenue side, in the manner and to the extent in and to which the said suits were cognizable by such Courts on their Revenue side immediately before the passing of the same Act.

STATEMENT OF OBJECTS AND REASONS.

The Punjab Courts' Act, No. XIX of 1865, gives the Commissioner, the Deputy Commissioner, and the Assistant Commissioner with full powers, "power to try and determine suits of "every description." It has therefore been supposed that the special jurisdiction of the Punjab Courts on their Revenue side to deal with what are called "Summary Suits" has been transferred to the same Courts on their Civil side. This was never intended by the Legislature, and it may fairly be argued that the suit mentioned in the Act are not "Summary Suits," which have none of the characteristics of ordinary litigation, and are processes altogether peculiar to Indian Revenue Courts. Under these circumstances the present declaratory Bill has been prepared at the request of the Lieutenant-Governor of the Punjab, who considers that, in many respects, these "Summary Suits" may be with advantage kept on the Revenue side of the Courts. They can be dealt with there in a less formal manner than on the Civil side. Their retention on the Revenue side is moreover desirable with reference to the system of record established in the Punjab.

Memorandum dated December 1865, by the Accountant-General, Bengal.

RESOLUTION.—The Governor General in Council having had under consideration the results of the working of the Money Order Office in the Lower Provinces of Bengal since its establishment in 1862, is of opinion that the experiment has proved entirely successful, and considers that the time has arrived for permanently establishing the system, and for extending the benefits of its operation throughout India.

2. The present organization, which is clearly detailed in a Pamphlet published under authority by Mr. Sandeman, Accountant-General of Bengal, has been found, after a trial of four years to be simple and effective, and will probably also be found equally well suited to the circumstances of the other Governments and Administrations where it may be introduced.

3. With regard to the arrangements for supervising the working of the system in the Presidencies of Madras and Bombay, His Excellency in Council is of opinion that a Controller should be appointed for each Presidency in subordination to the Local Accountant-General, and that, for the present, the operations of the Money Order Office should be restricted to the territorial limits of each Presidency.

4. For the Bengal Presidency it remains to be determined whether there should be one Controller in general charge stationed at Calcutta, or whether the management should be divided by the North-Western Provinces, the Central Provinces, and Oudh, being placed under one Controller, and the Punjab under another, stationed at Allahabad and Lahore respectively, in subordination to the Local Accountants-General, and with authority to transact business with the Capital towns of the several administrations of the Presidency outside their own jurisdiction. The former plan will apparently be the most advantageous, and can probably be adopted without any real difficulty.

5. At present the maximum limit of a single order is Rupees 100 or £10. This will be retained in the Provinces into which the system is to be newly introduced; but in Lower Bengal, where the system has taken root, it may be expedient to raise the maximum tentatively to Rupees 250 or £15, and this will be suggested for the consideration of the Lieutenant-Governor. The experiment, if successful, can afterwards be extended.

ORDERED, that the foregoing Resolution be communicated to the Governments of Madras, Bombay, North-Western Provinces, and the Punjab for information, together with a copy of the papers relating to the system in Bengal, with the request to the two last-named Governments that they will favor the Government of India with their views on the point reserved in paragraph 4 of the Resolution.

Ordered, also, that the Resolution be communicated to the Comptroller-General of Accounts for information and for report on the same point.

Ordered, further, that the Resolution be communicated to the Government of Bengal for information and report on the subject of paragraph 5; and that the Resolution be published in the *Gazette of India*.

The following Order issued by the Government of India, in the Military Department, is re-published for general information :—

His Honor the Lieutenant-Governor of Bengal, in accordance with the provisions of Section 88, Act III. (B. C.) of 1864, having directed the publication of the following Bye-laws for the Suburbs of Calcutta, in supersession of the existing ones, in the *Calcutta and Bengali Gazettes*, they are hereby published for general information:—

For regulating the time and mode of collecting the Rate and Taxes.

1. EACH quarterly instalment of the rate and taxes mentioned in the Act shall be considered to have become due at the commencement of the quarter on account of which such instalment is payable, and may be levied at any time after the commencement of such quarter, that is to say:—

The instalment	31st July.	May be	1st May.
payable on ac-	" Oct.	levied on	" Aug.
count of the	" Jan.	and after	" Nov.
quarter ending	30th April.		" Feb.

2. From the lists prepared under the provisions of Sections 29 and 39 of the Act, the collecting officer shall prepare the bills prescribed by Section 44. The bills so prepared shall be issued under the signature of the Commissioners, or Officers appointed by them, or their Secretary, if there be one, to the subordinate officers on the collecting establishment, and shall be by them presented to the persons named therein, in the manner hereinafter described.

3. Every collecting officer shall be provided with a certificate of his authority to collect; and every such certificate shall bear the seal of the Municipality and the signature of the Chairman or Vice-Chairman. Every collecting officer at the time of demanding payment shall be bound to shew this certificate if required.

4. The collecting officer taking the money in payment of any demand shall give the receipt for it.

5. When the name of any owner is not known, it shall be sufficient to designate him in any notice, bill, or other proceeding under the Act, as the owner of the property on which the rate is assessed, without further description.

6. Every bill, for any sum due on account of the rate or taxes leviable under the Act, shall, if possible, be presented to the individual named therein in person; but if such personal presentation be found impossible, the bill shall be left at his usual place of abode, and such delivery shall be deemed to be the presentation required by Section 44.

7. The officer to whom a bill may be issued for presentation shall receive the amount of such bill at the time of presentation, or at any time within ten days from the date on which the bill shall have been first presented by him.

8. Every person required, in writing, to furnish any schedule or return which the Commissioners may lawfully require him to furnish, shall send such schedule or return to the office of the Commissioners within one week from the date of the service of the requisition in the manner described in Section 81 of the Act. Any person failing to do so shall be liable to a penalty not exceeding Rupees 5 for the omission, and to a penalty not exceeding Rupees 2 for every day the omission shall, after warning, continue. Any person submitting a false or incorrect schedule or return shall be liable to a penalty of Rupees 5, provided that nothing in this Bye-law shall be held to prevent the institution of a criminal prosecution under the Penal Code should the facts appear to warrant such a proceeding.

9. Every owner, occupier, or other person, shall permit the Commissioners, or any one appointed by them under a written authority for that purpose, at any time between sun-rise and sun-set, to enter and inspect any coach-house or stable in which there is reason to believe that there is any vehicle or animal liable to taxation under Section 33 of the Act. Any person obstructing the Commissioners or any person duly authorized by them in making such entry and inspection shall be liable to a fine not exceeding Rupees 20.

10. Every distress made under the Act shall be executed by the collecting officer, unless the Commissioners may otherwise direct, and the property distrained shall, pending sale or recovery from the defaulter of the amount due, remain in charge of the collecting officer, who shall deliver a list in the Form C, prescribed in the Act, of the property distrained.

11. Immediately on distressing the distraining officer shall post upon the house of the defaulter a notice of sale, fixing a day for the sale, not less than seven days from the date of distress; and on the day of sale notice shall be given by beat of drum.

12. Payment of purchase money for property sold, and delivery of the property, shall be made immediately after the sale; and if the purchaser fail to pay the full amount of his bid, it shall be lawful for the distraining officer, at his discretion, to sell the property again on the same or any other day, and the first purchaser shall, in such case, be responsible to the Commissioners for any loss, which shall be recoverable as a debt due to them.

For regulating the conduct of persons employed by the Commissioners.

13. All persons employed by the Commissioners, whose services may be no longer required, shall be liable to discharge after receipt of previous notice, or pay in advance for the period of one month; and no such person shall withdraw from the duties of his office without having given previous notice for the period of one month, on pain of forfeiture of one month's salary.

14. All persons now holding, or who may hereafter be appointed to, any office under the Commissioners, shall, when required so to do, furnish good security to such amount as the

Commissioners may from time to time fix; and any person failing to furnish such security within reasonable time, or within such time as the Commissioners may appoint, shall be held to have thereby forfeited his appointment and may be removed from office.

15. Whenever it shall be proved to the satisfaction of the Commissioners that any person in their employ has been guilty of any violation of duty or wilful breach or neglect of any rule, regulation, or order made or given by competent authority, or has withdrawn from the duties of his office without permission or without having given previous notice for the period of one month, or has done any act by the performance of which, or has omitted to do any act by the non-performance of which, the Commissioners shall have suffered, or may have incurred the risk of suffering loss or injury, or has failed to perform any duty with all due diligence or has been guilty of any act of insubordination towards any superior officer, or has accepted or obtained, or agreed to accept or attempted to obtain, from any person, for himself or for any other person, any gratification whatever other than authorized remuneration, in respect of any official act, or has in his official capacity given any information which he knows or believes to be false, or has committed any offence punishable under any law, such person shall be liable to punishment by fine not exceeding one month's pay, or by suspension from office for such period as the Commissioners may fix or by degradation, or by summary dismissal from his situation, in addition to any penalty to which he may be liable under the provisions of any law. Any person so dismissed shall be liable at the discretion of the Chairman, to forfeit all pay and allowances due to him, not exceeding the pay and allowances for one month.

16. The Chairman or Vice-Chairman may originate, receive, or enquire into a complaint of misconduct or neglect in the performance of duty against any person employed by the Commissioners.

17. Nothing herein contained shall be held to debar the Commissioners from instituting proceedings in any Civil Court having jurisdiction against any person being or having been in their employ, with a view to the recovery of damages for any loss or injury which they may have sustained in consequence of any act done or omitted to be done by such person.

On matters of Conservancy.

				<u>£230</u>

"The widow and nine children (five daughters and four sons) of the late Mr. Alexander Shank, (Annuitant of 1856), who died in England on the 9th April last."

"Mr. Hudson has incurred the penalty under Rule 6 of exclusion of his wife from the benefits of the Fund on account of his not having reported his marriage within the prescribed six months. His case is submitted for decision of the Meeting."

"Mr. Hudson urges that—

"He did not contemplate marriage on his departure for England and took with him no copies of the Rules; that he applied for information at the India Office relative to the payment of his subscription to the Fund while in England, and was informed that all matters relative to the Fund would be adjusted on his return to India; that in consequence of this he concluded that no report of his marriage was requisite during his absence, because all subscriptions would necessarily remain in arrear till his return; that he was unaware that his wife had any claim on the Fund during his stay in England: but even in this case he cannot understand that it should be material whether the marriage be reported or not, so long as the subscriptions are in abeyance, and the date of the marriage is always to be found by reference to the Parish Registers. Against the imposition of the fine in his case, he represents that he is on the receipt of an allowance of not more than Rupees 400, which is reduced to Rupees 300 by subscriptions to the Funds, and that he has at present to make good arrears of subscription to the Fund amounting to Rupees 433."

"Mr. Hudson was supplied with a copy of Article 6 of the Rules on his arrival, and he was also furnished annually with a copy of the same as long as he resided in India. He has been informed that it will be out of the power of the Meeting to consider his representation against the imposition of the fine seeing that the minimum fine is fixed by the Rules. The Managers recommend that Mr. Hudson's wife be admitted to the benefits of the Fund on payment of a fine of Rupees 500."

"Mr. C. D. Field reported, under date 30th ultimo, the birth of a daughter on the 14th May last, and was informed on the 4th instant that he had incurred a fine of Rupees 50 under Rule 6. In his letter of the 10th instant he urged that—

"Until he looked at the Rule the impression on his mind was that he had three months within which to report without incurring a fine. He further states that he was careful to see that the deduction was made from his June pay bill, so that on the receipt of the Fund letter the deduction intimated therein had actually been made, and as the object of the Rule was doubtless to secure the deduction of the sum due to the Fund, and as this object was secured, he submits that 'Cessante ratione legis, cessat ipsa lex,' and in conclusion he asked for a remission."

"In reply he was informed that it was out of the power of the Managers to remit the fine incurred under Article 6 of the Rules. He now, in his letter of the 15th instant, requests that his case may be laid before the General Meeting of Subscribers. The Managers draw attention to the

Rule in which it is expressly laid down that reports of births are to be made to the Secretary. This has been the invariable practice, and unless this is done, it will be impossible to keep a correct Register of the families of Subscribers. Mr. Field, in common with all Subscribers, has annually been furnished with the circular copy of Article 6 of the Rules."

"The votes of Subscribers have affirmed the Resolutions passed by the last General Meeting for the amendment of Rules 9 and 21. The votes for the amendment were 109, against 1."

"In consequence of the *Calcutta Gazette* having become a local paper in 1834, the notices and proceedings of the Fund have been published for the information of Subscribers in the *Gazette of India*, the Managers propose the amendment of Rules XV. to XIX. by substituting for the words *Calcutta Gazette*, the words *Gazette of India*."

"Under Article XII. of the Rules, the receipts of the Fund are to be invested in Government Securities. Accordingly, under the instructions of the Managers, the Bank of Bengal has from time to time purchased at market rates Government paper principally of the 4 per cent. loans as this is procurable at a discount. They think it expedient

Article XII.—The unappropriated receipts of the Fund exceeding the sum of (2,000) two-thousand Company's Rupees (to be reserved for current expenses) shall be vested in the Securities of Government, or if deemed expedient Guaranteed Railway Stock, and made payable on account of the Fund under the signature of any three of the Managers, but the Treasurer of the Fund shall be competent of himself to pass receipts for the interest receivable thereupon.

"They also propose an addition to Article XXI. of the (amended) Rule of the words, "when a Member of the Covenanted Civil Service of any Presidency," after the words "Accountant-General, Bengal."

"The reply of the Secretary of State, to the application of the Managers in April 1862 for sanction to the conversion of Rupees 8,95,744 of the balance of the Fund, bearing interest at 4 per cent. into capital of a like amount bearing interest at 8 per cent. per annum, is submitted for the information of the Meeting."

Moved by Mr. S. S. Hogg, and seconded by Mr. G. E. Makgill, that the families specified in the Manager's report be admitted to the benefits of the Fund.

Carried unanimously.

Moved by Mr. G. E. Makgill, and seconded by Mr. S. S. Hogg, that the wife of Mr. Hudson be admitted to the benefits of the Fund on his paying the minimum fine of Rupees 500.

Carried unanimously.

Moved by Mr. S. S. Hogg, and seconded by Mr. G. E. Makgill, that Mr. C. D. Field be informed that it is out of the power of the Meeting to remit the fine which is imposed by the Rules, and that the Meeting confirms the decision of the Managers (as to its payment) already communicated to him.

Carried.

Moved by Mr. Seton-Karr, and seconded by Mr. Schalch, that the notices and proceedings of the Fund be henceforth published for information of Subscribers in the *Gazette of India*, the *Calcutta Gazette*, the *Gazette of the North-Western Provinces*, and the *Punjab Gazette*.

Carried.

Moved by Mr. R. P. Harrison, and seconded by Mr. Geo. Campbell, that in lieu of the alteration of Article XII. suggested in the report, the words "or if deemed expedient any stock guaranteed by Government" be inserted, and the opinions of Subscribers taken as to the advisability of amending the Rule accordingly.

Carried.

Mr. T. B. Lane moved, and Mr. R. P. Harrison seconded, a proposal that in the Article XXI., the words "when Subscribers to the Fund" should be attached as qualification to the names of all the ex-officio members there described, and that the Rule so amended be circulated for general approval of Subscribers.

Carried.

A vote of thanks was passed to the Chairman.
